RE: Frostwood Park Grant Application.

The Parks and Recreation department is applying for the Municipal Parks Grant Round 25 for the Fiscal year 2024-2025. The Parks and Recreation department has selected a new playground structure to be installed at Frostwood Park next to the Tennis Courts as the grant item to apply for.

The Parks and Recreation Department has chosen Hutchinson Recreation to install a "Tower" play structure at Frostwood Park pending the awarding of the Parks municipal grant to the City of Berkeley. The play structure will be purchased and installed only upon receiving the grant award. The details are as follows:

- Grant request: \$102,828.00
- Project cost: \$102,828.00
- Project cost to city post reimbursement: \$0.00
- Contractor: Hutchinson Recreation
- Play system: Miracle Mega Tower Structure

The City of Berkeley would initially pay the entire cost of \$102,828.00 to Hutchinson Recreation for materials and install, with full reimbursement from the Municipal Parks Grant Commission post completion.

Hutchinson recreation and Miracle Playground Systems were used in the past year for the current playground improvements. The Frostwood tower would provide a playing area for as many as 75-85 children at a time and be unique aspect to an already growing area with the T-ball field and pool complex.
