REPORT TO CITY COUNCIL

To: Honorable Mayor of Berkeley and City Council

From: Nathan Mai-Lombardo, City Manager

Date: August 19th, 2024

Subject: Approval of St. Louis Regional Hazard Mitigation Plan

BACKGROUND

The St. Louis Region through East-West Gateway Council of Governments develops and approves a regional hazard mitigation plan every five years. The purpose is twofold: 1) to develop regional implementation strategies in the event of a natural disaster and 2) as an eligibility requirement to apply for hazard mitigation funding from FEMA.

Although the City approved an earlier version of the 2020-2025 plan on September 16, 2019 (Resolution #3485), we are still obligated to reapprove the Plan every five years in order to maintain our eligibility. A copy of the official (305 page) plan can be downloaded from this link: <https://www.ewgateway.org/library-post/2020-2025-st-louis-regional-all-hazard-mitigation-plan/>
