MEMORANDUM

TO: Ms. April Walton, Acting City Manager/ HR Director

FROM: Fire Chief James Linhardt

DATE: September 2, 2025

SUBJECT: Fire Hydrant relocation

Recommendation: Attached is a map showing the current location of the fire hydrant on James S. McDonnell (approx. 350' south of driveway for Signature Aviation). I am seeking an ordinance to relocate the fire hydrant 130' north of its current location (approx. 230' south of driveway for Signature Aviation). In order to move the existing hydrant, the water company will require an ordinance from the City as part of the water company's normal policies and procedures.

Background: This is consistent with previous work done by Missouri American Water Company for new development. This will allow the new proposed development for that area to move forward.

Supporting Documents: Attached Map from Missouri American Water Company.

Potential Objection: None foreseen
